

holidays at home bucket list

from
re-nest studio

- write your letters to Santa
- make a 2021 commemorative ornament for your tree
- create a holiday countdown paper chain (you remember the ones, right? construction paper loops connected together!)
- get bundled up + GO OUTSIDE! grab a sled, go on a walk, throw some snowballs!
- make some popcorn garland together!
- have each family member vote for their favorite holiday movie + watch each one as a family (with popcorn, of course!)
- watch "the nutcracker" virtually at home! (stream on youtube!)
- enjoy hot chocolate with candy canes on a chilly night
- decorate your 2021 gingerbread house
- join crafts + kids for some fun holiday kids crafting!
- do a family holiday cookie bake-off!
- create some merry + bright neighbor gifts with cookies, candy + a card (and, drop them off secretly!)
